He is tasked with finding his older brother whom he has not seen for many years. He soon discovers that his brother, a half elf, is not only an Ashuran and is wanted by a man he knows will eat him, he is also a shop owner of Pokemon cards. He soon runs into a ninja that recruits him to help the Ashura Empire. He must find his brother and help the Ashura forces fight the natural disasters that are soon to strike the land. This game is jam packed with anime/Pokemon references and it is easier to relate to as a Cartoon Network fan as the show was around when the game was first published. The game is set in an alternate time line where the Ashura Empire ruled. FullNES has begun working on a translation of this game for the English language. Game Mania Games Archived. It is a Homebrew game. Game Artwork Compilation, by Ben. Samples are small in file size, so if you want to get the game fully rarried, instead of the samples, you can just use another mini game for the walkthrough. Conquering Dragon Stars (The NES). [3](#Fig3){ref-type="fig"}g). This is significant, as the control samples have a higher intensity than the experimentally damaged ones. We suspect that the aspect ratio of the fibers is the main factor in the optical and mechanical properties of the fibers. Therefore, the optical fibers tend to bend when the incident laser beam is absorbed. The aspect ratio of the fibers should be optimized to meet
