For now the game is available on the following download sites. \*Internet Explorer users will have to click the download button and then on the game's page and download it to your hard drive. \*Firefox users will need to download the game to their hard drive and then to import it from the internet. Once downloaded to your hard drive, you'll be prompted to choose where on your hard drive you would like to install the game. In this title, you will be playing as one of four Sorted Angels of God. These Angels are tasked with the job of helping these fallen angels and humans through the portal of Liberation. Along your path of The Fallen you will be battling countless demons, using your armament and your spells to slay your foes. The gameplay of Souls of the Deity can be divided into two different parts. The first is your turn based battles with demons and your other opponents, and the second is your journey through the portal of Liberation, where your angel is granted the powers of The Lord to complete the Divine Cathedral and defeat The Lord of Hell. Each Sorted Angel has three weapons at their disposal to add to the loadout of weapons and spells. Each weapon can be obtained from The Lost Souls, which you obtain during your journey through the portal of Liberation. Each weapon has different functions, and bff6bb2d33
