Edmund Marescaux

Edmund Fitzalan Marescaux (c. 1370 – 1424) of Merioneth and other manors, was lord of Moccas (modern Ystorfa) in North Wales. He was the second son and successor of Roger Marescaux, and the third of the four sons of Sir Edmund of Gower, first recorded in 1346.

Following the death of Roger Marescaux, Edmund inherited his lands and titles, and on 27 June 1405 he married Bona, daughter

---

of Hugh, Lord Beaumont, and widow of Gilbert de Hastings of Littlete. On 25 October 1395, Edmund Marescaux defeated the Welsh in a battle near Dinas Mawddwy, and in 1397, he assisted the Earl of Surrey in securing Caerffili Castle. On 11 June 1399, Edmund Marescaux was granted in chief the custody of the castle of Kidwelly in South Wales. In 1400, Edmund joined Sir Francis Talbot's invasion of Gower, which effectively ended the Welsh resistance. Edmund Marescaux was appointed Sheriff of Merionethshire for the years 1402–3 and 1407–8, and for 10 years after his death his widow, Agnes, acted as his ward, and was later required to surrender the Castle of Dinas Mawddwy to the King, but on her death, upon the attainder of her husband, she continued to hold the castle until her son Llewelyn Haredd (or Haredd ap Edmund) recovered it in 1414. Following the death of Llewelyn Haredd ap Edmund, Edmund's daughter, Beatrice, married Gilbert de Hastings (son of Hugh, Lord Beaumont).

---

Edmund's son and heir, Llewelyn Haredd (or Haredd ap Edmund) inherited the lands on Edmund's death. Edmund's sons Sir Llewelyn Haredd (1400–1445), MP, married twice and had issue, his heir was his son, Llewelyn Haredd ap Llewelyn Hangedry, who inherited the estates from his mother. Richard Marescaux
